Dear Colleague,

We are pleased to invite you to the **1st International Congress of Dental Oncology & Research Conference 2022 to be held on 2nd & 3rd September 2022 at Pandit Dindayal Upadhyay Auditorium, Ahmedabad.**

The Theme of the conference is **"Be Different To Make Difference"**

Asian Head and Neck Cancer Foundation is honored to conduct the First of its kind conference on Dental Oncology in India.

"Cancer Care involves a collaborative team approach which is contemplated to give better quality of life to cancer patients. Dental professionals play an important role in overall management of patients undergoing cancer treatment."

Dental Oncology is an emerging trend in the area of Dentistry focusing on dental and oral manifestations of chemotherapy, radiation therapy and/or Head and Neck surgery.

The goal of the conference is to emphasize and highlight the key role of oral health care providers/ dental professionals in screening, prevention, early detection, treatment and rehabilitation of oral cancer, to empower them in dealing with oral manifestations & complications of cancer and its treatment and to recognize prospects and avenues of research in Dental Oncology.

The overall intention of the congress is to bring together all healthcare professionals involved in care of cancer patients to learn, share and voice their opinions through this interactive platform.

The key highlight of conference is eminent international speakers from Memorial Sloan Kettering Cancer Center New York, USA and renowned National faculty who will share their knowledge and vast experience.

The conference is expected to be attended by more than 1000 delegates from across the India

Looking forward to welcoming you at the Ahmedabad conference.

Warm Regards
