International Masterclass on Breast Cancer 2022

Friday, 25th November 2022

Dear Colleagues,

Greetings from ISMPO!

We are pleased to invite you to participate in the "International Masterclass Program on Breast Cancer-2022" being organized on a virtual platform on **Friday, 25th November 2022**.

The objective of the program is to address the challenges in the management of **Young Age Breast Cancer (YBC) patients** (Considering its aggressive nature, the impact on fertility etc.) and update the audience on the advances in the management.

The program is being organized under the banner of **ISMPO (Indian Society of Medical & Paediatric Oncology)**. **ISMPO is the primary body for Adult and Paediatric Oncology. ESMO and ISMPO have collaborated together in a number of initiatives.**

The program will have **5** internationally renowned faculty for the keynote lectures along with other faculty from India, Asia, and the Middle East region participating in the program. We are expecting a participation of more than 500 delegates.

This program was very successful last year.

The meeting is being organized in collaboration with Mylan, a Viatrix company.

We look forward to your active participation in the program.

Prof. Dr. Jyoti Bajpai

Program Director &
Jt. Secretary, ISMPO

Prof. Dr. Sudeep Gupta

President, ISMPO

Prof. Dr. Kumar Prabhash

Secretary, ISMPO
